## TO THE WEST! TO THE WEST!

Before making your arrangements to follow the advice of the "thousands who have already gone," it would be well to consider what has been done to make the journey to your "Homes in the West" as pleasant and free from danger as human skill and foresight can accomplish.

By consolidation and construction, a road has been put into operation on the shortest possible line from Nashville, Tenn., to St. Louis, "the future great City of the world."

This line, the

ST. LOUIS & SOUTHEASTERN RAILWAY,

has, during the past year, earned an enviable reputation by its smooth track, prompt time, sure connections, and the magnificence of its passenger equipment. Its trains are made up of new and commodious day cars, provided with the celebrated Miller coupler and platform, and the Westinghouse air-brake.

It is positively the only line running Pullman Palace Drawing-Room Sleeping Cars through without change from Nashville to St. Louis. No other line pretends to offer such advantages, either in distance, time, or equipment. Why, then, journey by circuitous routes? Do not be induced to purchase tickets to St. Louis or the West by any other line, remember that

"The St. Louis & Southeastern" is the shortest, cheapest, quickest, best and only line under one management from Nashville to St. Louis, and is from 60 to 200 miles the shortest to St. Louis, Kansas City, Omaha, Denver, California, Texas, and all western points. It is also the "Chicago Shortest Line," via Evansville.

You can secure the "cheapest rates for yourselves and your movables on application, in person or by letter, to CHARLES McCABE, Southern Passenger Agent, near College street Depot, Nashville, Tenn., or to the undersigned."

W. B. DAVENPORT, General Ticket Agent, St. Louis.

No trouble to answer questions.

Just Arrived per Steamer Raleigh,

We return our thanks to our customers and friends for their kind favors and liberal patronage extended our new enterprise, and are determined not to be outdone in price and quality of goods. An examination of our superior Stock of Groceries, Wines and Liquors will convince the most skeptical that money can be saved by giving us their orders.

OTTO SCURTZ,
Observer, U. S. A.

WANTED--A cook for a small family.
Apply at this office.

The bridge near Abbottsburg, on the
road leading to Whiteville, is being re-
built. It will be about one hundred feet
long when completed.

WE are glad to see that the intolerable
nuisance on the corner of Fifth and
Market streets is being cleared away,
and a new pavement placed in its stead.

THE PLACE to save twenty-five per
cent, is to buy your Clothing, Shoes,
Dry Goods, &c., at
S. HANSTEIN & CO'S
New York House,
15 Market st.

IMPROVING--The little child of Mr.
Jenkins, who fell from the piazza to the
yard below, a distance of fifteen feet, is,
under the skillful treatment of Dr. M.
J. DeRosier, gradually improving.

Magistrate's Court:
Before W. H. MOORE, J. P.
Henderson Davis, A. and B., was
fined \$5 and costs.

Mania Taylor, A. and B., was dis-
charged at the prosecutor's cost.

THE LARGEST and CHEAPEST STOCK
ever brought to this market is to be
found at
S. HANSTEIN & CO'S
New York House,
15 Market st.

At the new jewelry store on Front
street can be seen in a few days a hand-
some assortment of jewelry and cutlery.
Mr. Allan, the proprietor, is known to
many of our citizens, he having been
among us immediately after the late
unpleasantness, and is a good workman.

LADIES AND GENTLEMEN--Your at-
tention is called to the great bargains
of Fall and Winter Goods at
S. HANSTEIN & CO'S
New York House,
15 Market st.

THE Sons of Liberty, a benevolent
association recently organized, met at
the office of W. H. Moore, J. P., last
night, and made preparations for assist-
ing the poor and needy through the
coming winter. The meeting then ad-
journed, subject to the call of the Presi-
dent.

SERIOUS ACCIDENT--A few days ago
James Brown, employed by the Cape
Fear Building Company, at Abbotts-
burg, to joint staves, had four fingers of
his right hand sawed off at the knuckles.
The accident occurred by the slipping
of a staff, which threw his hand on to
the saw. He is attended by Dr. Hick-
man, and doing very well.

THE Boston and Lowell Railroad be-
gan, last Thursday, weighing at Fram-
ingham the cars from the West loaded
with grain and lumber destined for Lo-
well and Taunton, and found an excess
of 12,000 pounds in one car over the
weight billed, of 20,000 pounds, a full
load, which makes a difference of \$77 in
freight.

The above was a Fairbanks 50-ton 34-
ft. Track Scale, sold to Boston and Al-
bany R. R. Co.--Boston paper.

THE mother of the boy David Mar-
tin, now confined in jail under sentence
of death, while waiting at the Court-
house for an escort to the jail to visit
her son, became intensely excited and
ungovernable this morning. Striding
along the pavement between the Court-
house and Third street, screaming at
the top of her voice, she was a most
pitiable spectacle. Much commiseration
was expressed by those who wit-
nessed the singular outbreak, for the
unhappy mother.

ANNUAL MEETING OF LADIES' RE-
NASCENT SOCIETY--On Thursday
next the ladies of Wilmington are in-
vited to meet with this Society at Mas-
on Hall--the rooms of the Young Men's
Christian Association--at 11 o'clock A.
M. A short address may be expected
from a popular speaker before the busi-
ness of the Society is proceeded to.
It is hoped there will be many access-
ions to the number of subscribers, as
there is a prospect of much distress
among the poor in the approaching Win-
ter. So many being without employ-
ment, families must suffer for food, and
fuel, clothing, &c., for all which in-
creased funds will be required.

THE TOWN CRIER

Mild.
Gold drops at 107 1/2.
High wind last night.
Do not whip balky horses.
Now is the time to receive pros-
pectuses.

Many fine goods came by yester-
day's steamer.
Read the Orphan Asylum Char-
ities for October.

An elegant week for the Cumber-
land County Fair.

The Schilling's pavement is in-
deed a fine thing.

THE WEEKLY Post continues to
gain in circulation.

Week half gone and those adver-
tisements are not in.

Col. Smith insures against fire,
but not against thieves.

Squire Cassiday has gone to the
Sound on a small fishing and hunting
excursion.

We came very near going to press
yesterday without a burglary item, but
Col. Smith helped us out.

The New Bern Times is surprised
that we write original articles. We
advise our friend to do likewise.

Notice the wonderful change in
the weather between 12 and 2 o'clock
to-day. Look out for bad colds.

Newspapers get an immense
amount of dead head advertising--if
they will only be fools enough to pub-
lish them.

Now is the time to buy fuel while
there is no great demand for it. Don't
wait until a cold day, for then the
price will go up at least 25 per cent.

The Tremaines will be here to-
morrow night. Who will not be de-
lighted to hear their sweet voices again.
Pierson will be along also! How we
long to hear his deep rich voice.

REMOR--It is rumored that the ap-
peal which was taken, in the case of
Dave Martin, the condemned murderer
of Willie Carter, has been withdrawn
by his Attorney. We give this only as
a rumor and do not vouch for its cor-
rectness.

ICE AND FROST--Young Prob. at this
post predicts frost and ice for to-morrow
morning. He says that there is a storm
passing to the North of us, and we may
have a slight sprinkling this afternoon,
but by morning it will clear up and
freeze.

FOUL CHIMNEY--The burning of a
foul chimney at a house near the corner
of Third and Orange streets, about 1:30
to-day, caused considerable anxiety.
The alarm was given, but before it be-
came general the fire was extinguished.

WE are requested by the committee
to state that if the present rain should
continue during the evening, gentlemen
desiring it can procure carriages free of
charge for the purpose of conveying
their ladies to the ball of the German
Association, by applying to them at
Mozart Hall.

THE Mayor's attention was employed
all the morning in the investigation of
the charge against a policeman for the
dereliction of his duty. Not being able
to get through with all the evidence
the case was continued till to-morrow
at 9 o'clock. The case of Heaton and
Reichburg was also continued until to-
morrow.

FIRE--The alarm of fire about 1:30
o'clock to-day was caused by the burn-
ing of a foul chimney in the Murchison
building on Front street. One of the
workmen kindled a small fire in the fire-
place of one of the second story rooms
to warm his dinner, and the chimney
being very foul caught fire and soon
died down. The different Engines and
Hook and Ladder Truck were soon on
the street, but were turned back before
they could get to the fire, as their services
were not needed.

NOT CREDULOUS ENOUGH--A few
days ago a well known colored man
called at the Post Office and asked for
a registered letter containing \$150;
being informed that there was no letter
for him, he "declared something must
be wrong, and it was very strange," etc.,
that the letter did not come. He went
again and again for his letter, and
seemed very anxious about it, but there
was "nary letter." Finally, being
strapped by the panic, he made a gene-
rous proposal to Col. Brink to advance
fifty dollars on the security of the ex-
pected letter as a collateral. Upon the
arrival of the letter the Colonel was to
be vested with the power to open the
letter, and take from it sixty dollars as
pay for his advancement and kindness.
Col. Brink not being credulous enough
to be blinded by such magnanimous of-
fers, and being a strong believer in the
old adage, "all is not gold that glitters,"
respectfully declined with thanks.
Strange to relate the expectant capital-
ist has not put in his appearance since,
neither has his letter.

STATE ITEMS.

Master Dick Tillery, the boy orator
of the South, is delivering temperance
lectures.

A new hotel called the Weil House
has been opened in Goldsboro by Mr.
Wm. R. Barringer.

The Newbern Times says: "As the
steamer E. S. Terry was steaming up
for her New York trip, an accident hap-
pened to her boiler which, we learn will
detain her in this port a few days for
repairs."

The Times thus corrects a former an-
nouncement, "It having appeared in
those columns that R. B. Keogh was
appointed temporary Collector of In-
ternal Revenue of this district in place
of Col. Peck, removed, we hasten to
state that it is R. C. Kehoe, Esq., of
this city, instead of the gentleman
named."

The Southern Times brags on the enter-
prise of that borough and evidences it
thus: "A few weeks since we showed;
as an evidence of the prosperity of Tar-
boro, notwithstanding the stringency of
the times, that our town was the second
money order office in the State. An-
other proof of our go-aheadiveness we
propose to evidence by the operations
of the Express office here."

The Newbern Times forebodes muni-
cipal troubles in that city as follows:
"WM. H. Oliver, Esq., has served a
verbal notice on the Mayor and Coun-
cilmembers of this city to the effect that
he forbids them, in the name of the tax-
payers, expending any more money than
the sum allowed by the charter, namely:
\$6,000 per year. The city has already
exceeded the sum for this year, includ-
ing the appropriations to the Fire
Department. There is a fair prospect
for another injunction suit on the car-
pet, and a bill of costs for the city to
pay. More of this anon."

The Raleigh News says--John Arm-
strong, Esq., of this city, left for New
York in obedience to a telegram Sunday,
stating that his brother, a prominent
business man of New York, but living
in Brooklyn, had mysteriously disap-
peared and fears are entertained that
he had been foully dealt with. He drew
a large sum of money from his banking
house in Brooklyn on Thursday last and
started over to his place of business in
New York. Since he left the Bank nothing
has been heard of him by his friends.
He was to have been married to-day.

The Expositor gives the following
particulars of an unfortunate occurrence
in the West about a week ago: "We
regret to learn that Mr. V. Duckworth,
of Transylvania county, was killed in
Brevard on Tuesday evening last, by
Julius Poor, of the same place. The
circumstances, as we have been in-
formed, are these: As Mr. Duckworth
was about leaving the saloon of Mr.
Poor, he playfully took up a piece of
beef that was laying upon the counter,
as if he intended to carry it away, when
Mr. Poor called to him to put it down,
at the same time taking up a pistol that
lay near by, pointing it towards Mr.
Duckworth. The pistol unfortunately
went off, hitting Mr. D., who died in a
few moments. Mr. P. was taken before
Justice King, who admitted him to bail
in the sum of one thousand dollars, it
appearing, as he thought, a case of ac-
cidental shooting.

When a gentleman wants something
beyond usual, he should go elsewhere
than to towns or villages. The Dur-
hamite referred to in the following item
from the News can come to Wilming-
ton, and from the advertisers in the
Post, he can get accommodated, if he
is as large as Brian Born. "A three
hundred pound Durhamite yesterday
invaded the large clothing store of
Messrs. R. B. Andrews & Co., and in-
timidated his desire to purchase a suit
of clothing. Andrews, with a "smile that
was child-like and bland," surveying
the giant form of his customer, at once
went for the "largest" he had in his
shop. Coats, vest and pants were all
tried in vain for a fit; the largest vest
in the house lacked at least four inches
of coming to a "met," and Andrews
gave up the job, saying: I can't fit you
in a suit but can furnish you in shirts.
"Exactly what I want," said our pon-
derous friend. Down came the boxes
and bundles, the yoke of the largest
was measured and found to be fully
three inches too small. The Durhamite,
somewhat vexed at not being able
to find in the largest clothing house in
the city of Raleigh a single article of
clothing large enough for him, remark-
ed as he turned on his heels to leave
the room: "My friend, as long as you
have nothing but boys' clothing, you
ought not to fool strangers with that
pretty sign you have out there; take it
down and order out that advertisement
in the Daily News that brought me here.
The reply of Mr. Andrews was not dis-
tinctly heard, but something was said
about "never proposing to cover up a
Durham tobacco factory in broadcloth."

NEW YORK.

New York, November 12.
The bale of cotton for Memphis,
which sold here yesterday for \$350, has
been shipped to Liverpool, to be sold
for the same purpose.

John A. Brown, captain of the ship
John Harvey, has been lodged in Lud-
low street jail, to await an investigation
on charges of brutality preferred by five
seamen, and committed during the voy-
age from this port to Cronstadt via
Mobile and return.

The failure of the tea trade on Mon-
day is attributed rather to the competi-
tion which is growing up in the West
than to the panic. The great Western
marts, it is said, are receiving their teas
mainly by way of San Francisco, and
many smaller firms here have been
wound up, owing to this withdrawal of
trade. The decreasing trade is men-
tioned as the cause of one of the heaviest
importers advertising two vessels of
their fleet for sale.

It is said that the engine which ex-
ploded on Fourth avenue yesterday
had been tended by a boy, the engineer
being absent. Miss Bashford who was
killed, was a young woman of great
beauty and intelligence. She was on
her way home and was attracted by the
shout of a workman and stopped for
a second and was struck by a flying
piece of boiler. The little girl that
was killed, was an Italian street mus-
cian. Her harp was found lying by the
side of the body. The work of death
was apparently mainly executed by a
piece of iron weighing fully 200 pounds
which was thrown off from the boiler at
the height of about 5 feet and sped
through the air at about that level
above the ground. Its force was spent
at the corner of 128th street, where it
fell striking on the head and killing the
young woman above mentioned. The
families of the deceased men, who were
nearly all married and had children,
visited the station house during the
evening, and with tears and anguish
identified the dead.

The Associated Banks which gained
\$1,200,000 since yesterday now have
\$26,000,000 on hand.

The Russia sailing for Europe to-day
takes out \$487,946 in silver bars.

WASHINGTON.

WASHINGTON, November 11.
Andrew Johnson publishes four and
a half columns in the Chronicle in an-
swer to Judge Holt's allegations that
Mr. Johnson disregarded the recom-
mendations of a majority of the court
for commutation in Mrs. Surratt's case.
Mr. Johnson never saw the recommen-
dation. On the contrary Judge Holt
argued that the question of six ought
not to be considered and urged an early
execution.

Mr. Johnson's card is regarded as
masterly. Mr. Johnson complains that
Judge Holt withheld the allegations
intended to damage him until the wit-
nesses were dead.

There has been a general fall of snow
